

Airhead!

The diary of an air conditioning apprentice...

SUNDAY

Heartbroken and embarrassed... Thought last night would be my chance to get it together with Galina (well, it's been 2 weeks)... Went to the bar where she works to surprise her. Never been there before. I made a big entrance with a bunch of flowers, only to find that The Tent & Trousers is a pole-dancing bar – and she was the star attraction! And there I was thinking I could woo her pants off.... Turns out she'd accept a €50 note. How gross is that? Anyway I got a bit hysterical, jumped on stage and tried to cover her up with the flowers but a punter took a swing

at me and then the bouncer threw me out... Galina didn't even seem bothered, just carried on pouting and posing. So much for romance...

MONDAY

Rotten mood to start the week but being back at Al-Cool is a distraction. And Max was in good form. He'd chatted-up some business at The Watering Hole on Friday night - some rich Russian guy who wants to up-grade his villa's air-con. We're going there tomorrow for a survey.

THURSDAY

OMG! Went to the survey today... And the owner is

the guy who took a swing at me at the weekend! He told me to wait outside while he talked to Max... I got really paranoid so I tried to eavesdrop but peered through the wrong window... It was the master bedroom and a girl came from the bathroom wearing nothing but a towel on her head. It was Galina! She screamed!

FRIDAY

Bad to worse – the rich Russian and Galina think I'm a stalker! He phoned Max today to say that he's decided to give the work to Penguin. Max is furious. Think I'll have a quiet weekend...
